Our Katrina experience was:

We totally lost home, and our business. I am very grateful that our family is safe and we took our precious cat & dog with us in the car. The cat meowed the whole 12 hour drive to Florida but at least she's safe now and our nerves have been replenished.

Write something special that you would like Santa to bring you or your family:

We are blessed that we have a place to stay. It saddens me to see everyone's beautiful homes & yards destroyed. I wish I could help everyone but unfortunatly I broke my arm while cleaning up our debris ☹. My heart goes to those who lost loved ones in the storm.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:
